

PSC No. 1 - Electricity
Company: Plattsburgh Municipal Lighting Dept.
Initial Effective Date: 07/18/22

Leaf No. 17
Revision: 9
Superseding Revision: 8

SERVICE CLASSIFICATION NO. 7
Private Outdoor Lighting

APPLICABLE TO USE OF SERVICE FOR:

Private Lighting Luminaires (Dusk-to-Dawn Lighting Services) for homes, schools, security, churches, commercial areas, and industry shall be provided where feasible and in keeping with good electrical practice, providing said equipment is, and remains, readily accessible for maintenance purposes, is available to all qualifying customers within the City of Plattsburgh described in Territory To Which Schedule Applies. This is an unmetered lighting service, dusk-to-dawn, and at other times of abnormal darkness, approximately 4200 hours annually.

TERMS, CONDITIONS, AND SPECIAL CONDITIONS:

- A. A self-contained automatic Dusk-to-Dawn 0-400 watt equivalent cobra head style LED shall be installed by the City of Plattsburgh Municipal Lighting Department on existing wood pole structures, for the customer, at monthly charge rate as indicated in the Summary of Rates for a minimum two year period. The monthly charge will be added to the customer's monthly utility bill and shall become an integral part of same. The City of Plattsburgh Municipal Lighting Department will be responsible for making the installation, furnishing the electricity for the operation of the lamp, providing all the necessary maintenance (including the replacement of lamps, but excluding malicious damage) for the two year period and all subsequent time addition to the contract.
- B. A self-contained automatic Dusk-to-Dawn 0-250 watt LED wide lighting fixture shall be installed, by the City of Plattsburgh Municipal Lighting department on existing wood pole structures, for the customer, at monthly charge rate as indicated in the Summary of Rates for a minimum two year period. The monthly charge will be added to the customer's monthly utility bill and shall become an integral part of same. The City of Plattsburgh Municipal Lighting Department will be responsible for making the installation furnishing the electricity for the operation of the lamp, providing all the necessary maintenance (including the replacement of fixtures. but excluding malicious damage) for the two year period and all subsequent time addition to the contract.
- C. The Plattsburgh Municipal Lighting Department, at its option, shall make necessary repairs to an existing high pressure sodium lighting fixture or replace the high pressure sodium lighting fixture with an equivalent LED fixture. All new lighting installations will use LED fixtures. High pressure sodium fixtures are not available for new installations and are being phased out by manufacturers.
