## GENERAL RULES

### 20. Standby Service and Standby Service Rates - Continued

#### 20.4 Billing under Standby Service Rates - Continued

##### 20.4.6 - Continued

##### (b) Interconnection:

The interconnection will be subject to the interconnection requirements and charges specified in General Rule 20.2. In addition, the interconnection must be technically and economically practicable, and the connection and operation of such facility shall not jeopardize the safety or operation of the Company's system, facilities or other Customers.

##### (c) Accounts Supplied by the Generating Facility's Output:

- (1) Each account must be eligible for billing under Standby Service rates and must be billed under the Standby Service rate applicable to that individual account.
- (2) Accounts served under General Rule 20.4.6 must be either all Full Service or take Supply service from a single non-Company source of electric power supply.
- (3) If the accounts are not Full Service accounts, all supply in excess of that supplied by the private generating facility must be supplied by a single entity.
- (4) No account served under General Rule 20.4.6 may be served under the PASNY Rate Schedule or any economic development program specified in General Rule 11.
- (5) None of the accounts may receive Consolidated Billing (described in General Rule 19.3.6).
