(2) Inspection and Examination of Company Apparatus:

A duly authorized representative of the Company may enter Customer premises at all reasonable times upon exhibiting proper identification and written authority for the purpose of inspecting and examining the meters, pipes, fittings, wires and other apparatus for regulating, supplying and/or ascertaining the quantity supplied. Inspections and examinations also include performing leakage surveys and atmospheric corrosion inspections. However, that in non-emergency situations, entry to the premises of residential Customers shall be limited to non-holiday workdays between 8 A.M. and 6 P.M., or at such other reasonable times as may be requested by a residential Customer; or between 8 A.M. and 9 P.M. on any day when there is evidence of meter tampering or theft of service. However, when an emergency may threaten the health and safety of a person, the surrounding area, or the Company's distribution system, or when authorized by a court order, entry by authorized Company representatives shall be permitted at any time for purposes of the inspection and examination permitted under this paragraph. A Customer who at any time, directly or indirectly prevents or hinders the inspection or examination provided for under this provision, at any reasonable time, may be billed a \$100 penalty charge per premises in a Non-Business District or a residential premises in a Business District and a \$500 penalty charge per non-residential premises in a Business District for each such offense. Such offenses include a Customer or access controller missing two or more appointments to allow a duly authorized representative of the Company to gain access to the premises or denying the Company access to the premises to perform a leakage survey and/or atmospheric corrosion inspection. After the second attempt to perform a survey and/or inspection, the \$100 penalty or \$500 penalty may be charged to a Customer at the Company's discretion for each failed attempt to gain access for every billing period until access is gained. Additionally, customers will bear all costs associated with legal action, including payments to law enforcement personnel, to gain access to the Company's gas meter. In addition, the Company shall have all other remedies against such Customer as are provided under this tariff or at law.

Except to the extent prevented by circumstances beyond its control, the Company shall conduct a field inspection of Company apparatus supplying a non-residential Customer as soon as reasonably possible and within 60 calendar days of the following:
