3. Hours of Operation

The monthly assignment of equivalent operating hours specific to the referenced operation schedule is presented in Table 2, below. The adaptive schedule titles provide a reference only to a general operating schedule which provides illumination performance similar to the presented Equivalent Hours of operation. These titles depict the designated adaptive operation occurring after mid-night for a period of approximately 5 hours. The Company is not responsible for any damages, claims or other liabilities associated with the customer's selection and/or implementation of an adaptive schedule, including but not limited to whether the adaptive schedule provides adequate illumination. Reference General Information, Section V.
