AM. Primus LD - High Five Plan

The Primus LD "High Five Plan" is a switched voice service available to residential and small business Subscribers who directly sign up for service with Primus (not through a Primus Channel Partner), make a limited number of calls within the U.S. and/or to international locations, and prefer limited electronic interaction with the company. Intrastate calls are billed in sixty (60) second increments. No term commitment is required, but a monthly minimum commitment of \$5.00 per account is required ("MMC"); provided, however, that if the Subscriber pays through the Primus Autopayment Plan (i.e., electronic auto-payment by debit or credit card, or automatic deduction from a qualified checking or savings account ("ACH")), then the MMC will be waived. Only usage charges may contribute to the retirement of the MMC; taxes, surcharges and fees will not contribute. If the Subscriber does not bill the MMC, then for that applicable month, the Subscriber will be charged the difference between its actual usage charges and the MMC. Interstate and international services are offered in conjunction with intrastate services. Invoices are provided online at no additional charge; paper bills will be provided for a nominal fee. If Autopayment is selected in order to waive the MMC, paper bills are not available. Subscriber shall be assessed a \$5.00 fee each time an Autopayment is rejected by the Subscriber's financial institution for any reason. Virtual calling cards and wireless dial around are available with this plan.
