## TELECOMMUNICATIONS SERVICES

### SECTION 5 – LINGO PRODUCTS (CONT'D.)

#### 5.3 Lingo Products – Long Distance Service

##### 5.3.1 Lingo Long Distance Service

Lingo Long Distance Service provides an outbound voice grade communications service for business and residential Customers who subscribe to certain Lingo bundled service packages described in Section 5.2 of this tariff. In order to subscribe to Lingo Long Distance Service, Customers must select the Company as the primary service provider for local exchange, intraLATA interexchange and interLATA interexchange telecommunications services.

These rates and charges are applicable only to intrastate, non-operator-assisted, 1+, direct-dialed, long distance calls which originate and terminate in New York by Customers who have selected the Company as their Local Exchange Carrier (LEC) and long distance provider.
