GENERAL INFORMATION – Continued**63. Firm Gas Demand Response (“DR”) for Commercial, Industrial and Multi-Family Customers – Continued**

Depending on the weather conditions, customers participating in Options 3 or 4 may be called to participate during both the morning and evening periods of a given calendar day, the morning period only (6AM-10AM), the evening period only (5PM-9PM), or a successive evening and morning period that fall on the same gas day but different calendar days.

Daily DR: Potential Dispatches for Options 3 & 4

6AM-10AM and 5PM-9PM (same calendar day but different gas days)
6AM-10AM only of event day
5PM-9PM only of event day
5PM-9PM of calendar day and 6AM-10AM of consequent calendar day (different calendar day but same gas day)

Within each of the selected event windows, customers may have the option to allow the Company to remotely control dual-fuel capable boilers, known as Direct Load Control or DLC. Customers without an existing DLC connection (and not enrolled through an Aggregator) wishing to participate in the DLC options must have peak consumption greater than 3 dth per hour.

b. Hourly DR Program Options

The Hourly DR program will offer incentives to customers who are able to shift their gas use from the peak hour period below.
