LEAF: 138.66

COMPANY: THE BROOKLYN UNION GAS COMPANY

REVISION: 0

INITIAL EFFECTIVE DATE: 11/01/21

SUPERSEDING REVISION:

STAMPS: Issued in compliance with Order in Case 20-G-0086 dated October 7, 2021

GENERAL INFORMATION – Continued**63. Firm Gas Demand Response (“DR”) for Commercial, Industrial and Multi-Family Customers – Continued**

Only customer sites that are enrolled in the same program and same program option and network will be considered for aggregation (i.e. the performance of a site in Option 1 cannot be evaluated against the performance of a site enrolled in Option 3). Each customer site that an Aggregator has enrolled into a DR program as a part of an aggregation will have their performance measured at an individual level. This data will then be used to evaluate the performance for the total portfolio of sites enrolled in the program belonging to the same aggregation. Entities who operate as aggregators will receive one payment at the aggregation level. If a Direct Participant self-aggregates, then the performance factors and payments will be handled as they are for Third-Party Aggregators.

4. Program Options**a. Daily DR Program Options**

Customers wishing to participate in the Daily DR program may select from one of four program options.

The table below illustrates the four Daily DR program options available to customers with potential incentive payments scaling up from Option 1 to Option 4.

Daily DR Program Options

Options	No DLC	With DLC
4AM-10AM	Option 1	Option 2
6AM-10AM <u>and/or</u> 5PM-9PM	Option 3	Option 4

Direct Participants or Third-Party Aggregators first must decide in which times they would prefer to participate. Options 1 and 2 will require customers to curtail gas usage between 4AM and 10AM during DR Events. Options 3 and 4 will require curtailments during one or both 4-hour period(s) as determined by the Company, from 6AM to 10AM and/or from 5PM to 9PM. Customers selecting Options 3 or 4 must be able to curtail both during 6AM to 10AM and 5PM to 9PM in the same calendar day if the Company determines it is needed. Customers with sites that shut down after 5PM are encouraged to participate in the morning option only.
