

PSC NO. 1 GAS
Liberty Utilities (St. Lawrence Gas) Corp.
Initial Effective Date: 01/01/2022

Leaf: 281
Revision: 1
Superseding Revision: 0

SERVICE CLASSIFICATION NO. 3

LARGE GENERAL FIRM SERVICE (Cont'd)

Customers or customers' Agent shall be responsible for obtaining the requisite regulatory approvals for the supply and transmission of customer's gas requirements to the Point of Receipt and, if applicable, for the export from Canada and the importation to the United States of such gas. Before any service under this provision shall be supplied, customer shall provide to the company certified copies of all such approvals.

For customers or customers' Agent electing this service pursuant to Maximum Day Transportation Volume, so as to achieve a daily and monthly balance between quantities delivered and consumed, daily and monthly delivery tolerances between the Receipt Point and the Delivery Point on the Liberty Utilities (St. Lawrence Gas) Corp. System shall be as set forth in 2.XI.K.

For this service, the Distribution Delivery and Gas Interconnection Charge shall apply to the Contract Volume and to all volumes through the billing meter as well as the Minimum Charge and the Contract Administration Charge where applicable.
