SERVICE CLASSIFICATION NO. 6  
Individual Service Agreements

APPLICABLE TO USE OF SERVICE FOR:

Electric service under this tariff is for non-residential customers who would normally be served under Service Classification No. 3 and meet all of the criteria contained in this Service Classification. Utilizing Individual Service Agreements signed under this tariff, the Village of Wellsville Electric Department proposes to provide incentives and thus promote the location of new business ventures within the Electric Department's service territory, as well as promote the expansion of current non-residential customers.

ELIGIBILITY:

For those customers whose operational characteristics or economic development characteristics would benefit the Village because of location of the customer on the Village's system, ability to curtail to respond to system requirements, or commitment to job creation or retention.

CONTRACT TERM

The term of any initial offering of an Individual Service Agreement ("ISA") shall be at least twelve months and shall be limited to a term of five years unless a longer term is approved by the New York State Public Service Commission. If a customer desires an ISA with a term in excess of five years and the Village is willing to agree to this arrangement, the Village will request authorization from the New York State Public Service Commission to enter into that arrangement. If the Commission grants the Village the authority it requests on terms acceptable to them, the Village will then enter into the agreement.

FILING REQUIREMENTS

The Village will file information concerning each Individual Service Agreement with the Public Service Commission within 30 days of executing the agreement. Quarterly, the Village will file reports to the Public Service Commission detailing the number of Individual Service Agreements, capacity associated with the Individual Service Agreements and revenues collected from Individual Service Agreements
