Superseding Revision:

Rule 31 - Forms, continued

Form #6 - Minimum Insulation Standards for New or Additions to Existing Residential Structures

Pennsylvania Electric Company
Certificate of Compliance
Minimum Insulation Standards
for New or Additions to Existing
Residential Structures

The undersigned certifies that the (check one)

_____ 1 or 2 family residence _____ multi-family residence

at _____
(Location)

is or shall be, not later than thirty (30) days after time of occupancy, in compliance with one of the following statute provisions (check one):

- _____ Part 1:E101.6
_____ Part 3 New York State Energy Conservation
_____ Part 4 Construction Code
_____ Part 5
_____ Appendix A, Opinion 77-10, Minimum Insulation Standards,
New York State Public Service Commission (applies only to
buildings on which construction began between April 1, 1977 and
January 1, 1979).

It is understood that electric service shall, depending on the applicable circumstance, not be connected, be subject to a twenty-five percent (25%) surcharge on the utility bill until all violations are eliminated, or be disconnected, if, upon inspection the structure is found not to be in compliance with the conditions set forth above.

The undersigned certified that a properly executed copy of this certificate shall be delivered to the owner prior to closing and further attests that all statements and representations contained in this certificate are true and accurate.
