

Global Crossing Telecommunications, Inc.  
PSC NO. 4 - TELEPHONE  
Interexchange Service  
Effective Date: August 19, 2019

Section 3  
Leaf 20  
Revision: 0  
Superseding Revision:

### **3. INTRASTATE INTEREXCHANGE SERVICES**

#### **3.2 SERVICE OPTIONS**

##### **3.2.5 Option 5 (Maxcess II)**

Option 5 is a one-way, intrastate, multipoint service, designed for high volume users, which may be used in conjunction with the Carrier's Interstate Maxcess II offering. Option 5 customers may originate calls via voice grade special access or high capacity (T1) access arrangement provided by the customer between the customer's premises and Carrier's switch.

##### **a) Rate Structure**

Charges for Option 5 are assessed based on a length of call, time of day and distance.

##### **b) Usage Charges**

The Carrier's Option 5 Service is based on the airline distance between the originating and terminating locations of each call. The duration of a call is measured in six second increments with an eighteen (18) second minimum for each call. Any fraction of an increment is rounded up.

##### **c) Ancillary Services**

Calls made to Directory Assistance telephone numbers are charged on a per call basis.
