PriorityPlan switched and dedicated term plans will automatically renew for successive twelve-month periods unless the customer notifies the Carrier in writing of their intention to terminate the agreement at the completion of their current term. The Carrier will notify the customer at least 60 days prior to the end of their current term that the end of the term is approaching. PriorityPlan customers electing to continue to receive PriorityPlan service without renewing their current term will automatically revert to the respective switched or dedicated non-discounted current tariffed base rate. A monthly termination fee, equal to the MMUL of the term plan that the PriorityPlan customer is subscribing to, will be assessed per month for each of the remaining months in the current term after a PriorityPlan customer terminates service prior to the completion of the full-term commitment.
