#### 3.2 SERVICE OPTIONS

##### 3.2.39 Option 45 - (Incentive Plan) (cont'd) c) Usage Charges (cont'd)

Incentive Plan switched and dedicated term plans will automatically renew for successive twelve-month periods unless the Customer notifies the Carrier in writing before the end of the current term of their intention to terminate the agreement at the completion of the term. The Carrier will notify the Customer at least 60 days prior to the end of their current term that the end of the term is approaching. Incentive Plan Customers electing to continue receiving service without renewing their current term commitment will automatically revert to the respective switched or dedicated non-discounted current tariffed base rate. A monthly termination fee, equal to the MMUL of the term plan that the Incentive Plan Customer is subscribing to, will be assessed per month for each of the remaining months in the current term after an Incentive Plan Customer terminates service prior to the completion of the full-term commitment.

Incentive Plan Customers will also be eligible for the PriorityPlan Optional Calling Card. Optional Calling Card calls are billed in six second increments with a thirty-second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.
