### **3. INTRASTATE INTEREXCHANGE SERVICES**

#### **3.2 SERVICE OPTIONS**

##### **3.2.19 Option 19 (Max Communications)**

Max Communications is a two-way long-distance service offered only in conjunction with Carrier's interstate Max Communications service. Max Communications provides customers with single per minute rates for both their inbound (800) and outbound (1+) usage. Max Communications customers may originate outbound intrastate calls by dialing 1 plus an area code and the desired telephone number. Inbound calls are originated to the Max Communications customer's designated location by users dialing 1+ the Max Communications customer's 800 telephone number. Max Communications calls are based on length of call and time of day.

The Carrier's Service Option 19 1+ and 800 calls are billed in six second increments, with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Allnet Max Communications customers who make long distance calls through an Allnet Max Communications Card are billed in six second increments with a thirty second minimum. Any fraction of an increment is rounded up to the next whole increment.
