##### 3.2.11 Option 11 (Vantage)

Option 11 is a one way, interstate, multipoint service requiring customers to originate calls via dedicated facilities or by presubscribing local service to the Carrier's service option. Calls can be completed from the customer's premise to any location within the state of New York.

##### a) Rate Structure

Charges for Vantage service are based on time of day, length of call, and location called.

##### b) Usage Charges

The Carrier's Service Option 11 service is based on the airline distance between the originating and terminating locations of each call. There is a one minute minimum for all calls made using Allnet Vantage and the duration of calls is measured in six second increments. Any fraction of an increment is rounded up to the next whole increment.
