Superseding Revision:

3. INTRASTATE INTEREXCHANGE SERVICES

3.2 SERVICE OPTIONS

3.2.10 Option 10 (Maxcess III)

Allnet Maxcess III is an outbound multipoint service, whereby the customer originated calls via dedicated facilities or by presubscribing long distance service to Carrier. Maxcess III may be used only in conjunction with Carrier's interstate Maxcess III offering. Calls can be completed from the customer's premise to any location within the state of New York.

a. Rate Structure

Charges for Option 10 are based on length of call, time of day, and location called.

b. Usage Charges

The Carrier's Service Option 10 service is based on the airline distance between the originating and terminating locations of each call. Maxcess III calls are measured in six (6) second increments with a minimum usage of one minute per call. The duration of a call is measured in six second increments. Any fraction of an increment is rounded up to the next whole increment.

c. Ancillary Services

Calls made to Directory Assistance are charged on a per call basis.
