4. PROMOTIONS

4.1 PROMOTIONS

At the Company's option, Carrier may provide certain special promotional offerings to its subscribers. Extended offerings (promotions lasting greater than 24 hours) may be tarified for an effective period of specified limited duration and may additionally be limited to certain dates, times, locations, or service options. All rates, terms or conditions applicable to each extended promotional offering will be specified and described as part of Carrier's flexible rate schedule at least three (3) days prior to its effective date.
