Service Classification No. 18-NCTS-22:

Available for service rendered from May 1st through October 31st only.

- (a) For new customers the applicable monthly rates for gas transportation service in excess of 1250 therms per month shall be reduced by an amount equal to 35% of the on-system transportation rate.
- (c) All monthly gas consumption not meeting the discount qualifications of this Rider shall be billed at the applicable Service Classification No. 18-NCTS-22 rates and charges.

Adequacy and Future Adjustments of Designated Areas

The Company will not grant service under this Rider where the area in which service is sought can no longer support additional gas service without impairing the adequacy of service to existing customers. In such event the applicant may still obtain service provided that a contribution payment for capital costs incurred to make the attachment is submitted prior to the commencement of gas service by the applicant for such gas service. At the discretion of the Company, the Area Development Rate locations may be supplemented, modified or withdrawn from availability for further applicants.
