2. Removal from Levelized Payment Plan

A non-residential customer may request to be removed from the levelized payment plan and be reinstated to regular billing at any time. After a customer request, the Company will render a final levelized settlement bill no later than the next cycle bill that is rendered which is more than ten (10) business days after the request.

The Company will only remove a non-residential customer from the plan if the non-residential customer fails to meet the eligibility requirements. In cases where the non-residential customer becomes ineligible because of payment delinquency, the Company will give the non-residential customer only one opportunity to become current in payment in any twelve (12) month period in order to remain eligible for the plan.
