GENERAL INFORMATION

30. Fuel Cell Electric Service Option (cont'd)

B. Non-Residential Electric Service Option (cont'd)

6. Billing (Cont'd)

Upon the Company's determination that the customer has taken service under this Section while in violation of the conditions of service set forth herein, the customer shall forfeit any positive balance accrued during the annual period in which the violation occurred.

7. Costs

Pursuant to the Standard Interconnection Requirements set forth within Addendum-SIR of P.S.C. No.119, customers are responsible for providing all meter boxes and sockets. In the event that the Company determines that it is necessary to install a dedicated transformer or transformers, or other equipment to protect the safety and adequacy of electric service provided to other customers, a customer generator shall pay for the cost of installing the transformer(s), or other equipment. Customers are responsible for any costs related to the installation of their fuel cell generating equipment. Notwithstanding the provisions herein, non-residential fuel cell electric customers are responsible for meeting all otherwise applicable provisions and requirements of P.S.C. Nos. 119 and 120.

8. Special Provisions

A. Customers applying for Remote Net Metering, refer to Rule 42.
