

PSC No: 19 - Electricity

Leaf No. 2

Rochester Gas and Electric Corporation

Revision: 28

Initial Effective Date: December 1, 2020

Superseding Revision: 26

Issued in Compliance with Order in Case No. 18-E-0130, dated September 17, 2020.

**TABLE OF CONTENTS**

|                                                                                                                   | <b><u>Leaf No.</u></b> |
|-------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>PART I</b>                                                                                                     |                        |
| <b>Territory to Which Schedule Applies .....</b>                                                                  | <b>5</b>               |
| <b>PART II</b>                                                                                                    |                        |
| <b>Rules and Regulations (a)</b>                                                                                  |                        |
| 1. Definitions and Abbreviations .....                                                                            | 7                      |
| 2. How to Obtain Service .....                                                                                    | 11                     |
| 3. Extension and Maintenance of Company Facilities to Serve Customer .....                                        | 37                     |
| 4. Metering and Billing .....                                                                                     | 64                     |
| 5. Termination of Service .....                                                                                   | 87                     |
| 6. Liability .....                                                                                                | 103                    |
| 7. Application Forms .....                                                                                        | 106                    |
| 8. Customer Inquiries and Complaints .....                                                                        | 118                    |
| 9. Interest on Customer Overpayments .....                                                                        | 119                    |
| 10. Distributed Energy Resource (DER) Interconnection Requirements.....                                           | 120                    |
| 11. General Retail Access .....                                                                                   | 160.1                  |
| 12. Supply Service Options.....                                                                                   | 160.26                 |
| 13. Wind Electric Service Options.....                                                                            | 160.34                 |
| 14. Solar Residential Electric Service Option.....                                                                | 160.39                 |
| 15. Solar Non-Residential Electric Service Option.....                                                            | 160.39.2               |
| 16. Farm Waste Electric Generating System Option .....                                                            | 160.39.3.2             |
| 17. Electric Hybrid Generating System Option .....                                                                | 160.39.5               |
| 18. Micro-combined Heat and Power (MCHP) Service Option.....                                                      | 160.39.6               |
| 19. Fuel Cell Electric Service Option.....                                                                        | 160.39.7               |
| 20. Micro-Hydroelectric Service Option.....                                                                       | 160.39.10              |
| 21. Compliance with Directives of the New York Independent System Operator (NYISO)                                | 160.39.14              |
| 22. Compliance with Discontinuance Directives from the New York State Department<br>Of Transportation (DOT) ..... | 160.39.14              |
| 23. Community Distributed Generation .....                                                                        | 160.39.15              |
| 24. Rate Adjustment Mechanism (RAM) .....                                                                         | 160.30.19              |
| 25. Clean Energy Standard (“CES”) Collection.....                                                                 | 160.39.20              |
| 26. Value of Distributed Energy Resources (VDER).....                                                             | 160.39.21              |
| 27. Uniform Business Practices – Distributed Energy Resource Providers .....                                      | 160.39.21.8            |
| 28. Remote Net Metering.....                                                                                      | 160.39.22              |
| 29. Direct Current Fast Charging (DCFC) Surcharge .....                                                           | 160.39.26              |
| 30. Energy Storage Deployment Cost Recovery .....                                                                 | 160.40                 |
| 31. Term and Auto- Dynamic Load Management Programs .....                                                         | 160.40.1               |

Cancelled effective 04/19/2021.
