PSC No: 120 - Electricity   Leaf No. 117.46.22.1
New York State Electric & Gas Corporation   Revision: 1
Initial Effective Date: January 1, 2021   Superseding Revision: 0
Issued in compliance with Order in Case No. 19-M-0463, dated December 12, 2019.

GENERAL INFORMATION

37. Community Distributed Generation (Cont'd)
7.   Calculation and Application of Credits (Cont'd)

   5. CDG Net Crediting Program
       Effective April 1, 2021, a CDG Host that is compensated pursuant to Rule 40.B Value Stack, may participate
       in the CDG Net Crediting Program as specified in this Rule 37.7.5. The CDG Net Crediting Program is an
       alternative payment and crediting methodology for CDG Hosts and CDG Satellites. Additional terms,
       conditions, definitions, and processes are set forth in the Community Distributed Generation Value of
       Distributed Energy Resources ("VDER" or "Value Stack") Procedural Requirements, including Net Crediting
       Manual ("CDG Value Stack Procedural Requirements") and posted on the Company's website. The Net
       Crediting Program allows CDG Satellites to receive one bill from the Company with a Net Member credit in
       lieu of receiving an additional separate bill from the CDG Host. The Company shall remit payment to the
       CDG Host as described herein.

     A. Enrollment and Subsequent Changes
        CDG projects participating in the CDG Net Crediting Program must meet the requirements as applicable to
        projects that are compensated pursuant to Rule 40.B and participated in Rule 37, CDG.

        The CDG Host must enroll by executing a CDG Sponsor Net Crediting Agreement with the Company, at
        least sixty days prior to commencing participation in the CDG Net Crediting Program, in addition to any
        other forms and registrations required under Rule 37 and the Company's CDG Value Stack Procedural
        Requirements. An existing CDG Host may enroll their project on a first-come, first-serve basis at least
        sixty days prior to requesting participation in the CDG Net Crediting Program.   Participation in Net
        Crediting shall become effective with the first CDG Host bill sixty days after all necessary enrollment
        forms have been received and approved by the Company.
        1.   The CDG Host must be current on their utility account tied to the CDG Host project to be eligible and
             participate in Net Crediting.
        2.   The CDG Host shall provide the CDG Savings Rate for the project to the Company as part of the
             enrollment process. Following the initial enrollment in the Net Crediting Program, the CDG Host may
             submit a request to update the CDG Savings Rate no earlier than six months from the initial enrollment
             in the CDG Net Crediting Program and only during the months of March or September as set forth in
             the Company's CDG Value Stack Procedural Requirements.
             a. The CDG Savings Rate may not be less than 5% for any CDG project and no greater than 100%
                minus the Utility Administration Fee rate of 1%. The CDG Savings Rate will apply equally to all
                CDG Satellites of a CDG Project, except for an Excluded Anchor Satellite, if applicable, as specified
                in 37.7.5.B. below.
             b. The CDG Host may modify its CDG Savings Rate or its associated CDG Satellite accounts and/or
                the allocation percentages of its CDG Satellites no less than 30 days prior to the CDG Host
                account's billing date to which the modifications apply.
        3.   CDG Hosts may remove the CDG project from the CDG Net Crediting Program with 30 days' notice
             prior to the CDG Host Account's cycle billing date to which the modifications apply. A CDG project
             that has been previously been removed from the CDG Net Crediting Program may re-enroll following
             at least one year from when they were removed from the CDG Net Crediting Program and shall be
             subject to the required sixty days' notice to re-enroll a CDG project as specified in A.1 above.
        4.   If a CDG Host transfers ownership of a CDG project participating in the Net Crediting Program, and
             the new CDG Host requests to continue the Net Crediting, the CDG Host shall re-enroll the CDG
             project on sixty days' notice as described above.
