SERVICE CLASSIFICATION NO. 2 (CONT'D)

INTERRUPTIBLE TRANSPORTATION SERVICE (CONT'D)

SPECIAL PROVISIONS - ALL CUSTOMERS:

- A. All service provided under this transportation service classification shall be subject to interruption, at the Company's sole discretion, in accordance with General Information Section 8 of this Schedule. Customers that fail to comply with a notification to interrupt shall pay a charge, in addition to all other prices and charges payable by said customer, of \$2.50 per therm for all quantities consumed in violation of the notification, as determined by the Company.
- A Customer that fails to comply with a notification to interrupt, curtail, or discontinue shall also be subject to the following:
- (a) The addition of one unannounced interruption test at the end of January. A waiver of this test shall be granted for interruptible customers interrupted due to weather within five days of a scheduled January test;
 - (b) A requirement to provide an affidavit attesting to compliance with the Company's tariff, except those customers that have elected to cease using natural gas when directed to by the Company in lieu of maintaining an alternate fuel inventory; and,
 - (c) The contact information for the customer's alternate fuel supplier is required to be included in the affidavit described in (b) above.
- B. A customer shall provide a signed affidavit by the close of business on October 1, or by the close of business on the following business day if October 1 falls on a weekend or holiday attesting the customer meets the requirements to take service under this Service Classification. For the winter period November 1, 2020 – March 31, 2021, the signed affidavit must be provided within 30 days of a Commission Order in Case 19-G-0379. If a customer fails to provide the affidavit, the customer shall be subject to a Daily Penalty Charge. The Company may begin to assess the Daily Penalty Charge at the start of the winter period on November 1 and every day thereafter until the signed affidavit is received, or until the end of the winter season on April 1. The Daily Penalty Charge will be \$1,000 per day for Service Classification No. 1 and \$100 per day for Service Classification No. 5.
- C. Customer's equipment supplied hereunder should have an alternative source of fuel, however this requirement may be waived by written permission of the Company. The Company reserves the right to conduct an onsite inspection of the Customer's alternate fuel facilities at any time to determine whether the equipment is properly installed, maintained, functioning and capable of serving the Customer's energy requirements at a level equivalent to that of the natural gas provided under this service classification. Equipment supplied under this service classification, may be transferred to an applicable firm service classification with the written permission of the Company. However, any such equipment can not be resupplied under an interruptible service classification prior to the elapse of a minimum period of one year.
- D. The quantity to be billed under this service classification is the quantity delivered to the Company less the allowance for losses, in accordance with General Information Section 4.E. of this Schedule.
- E. Daily imbalances, underruns and overruns under this service classification shall be calculated and reconciled as set forth in General Information Section 4 of this Schedule.
- F. A Transportation Service Agreement shall be signed by both parties in the form set forth in General Information Section 13 of this Schedule.
- G. The Company reserves the right to inspect the Customer's alternate fuel facilities in accordance with General Information Section 4.O. of this Schedule.
