25. EXCELSIOR JOBS PROGRAM:

25.3 Eligibility Criteria:

25.3.3 who permanently increases their monthly base load gas consumption by twenty-five percent (25%) or more or is a new customer.

25.3.3. 1 For existing customers, the Company shall determine increased gas consumption by establishing a monthly base usage pattern at the premises based upon the historical consumption for the twelve-month period immediately preceding the customer's receipt of its initial EJP Certificate of Eligibility. For weather sensitive customers, this monthly base usage pattern will be normalized. Where actual gas usage increases over such base by twenty-five percent in a month, then applicant will be eligible for the benefits of this Rider for that month, and gas usage in excess of the base will be eligible for an EJP rate. For weather sensitive customers, this actual gas usage will be normalized. All monthly gas consumption not meeting the discount qualifications of this Rider shall be billed at the applicable Service Classification rates and charges. For a new customer with no historical usage, the monthly base usage will be considered as zero. EJP Load is load in a given month above the customer's base for that month.
