Additional facilities considered standard at the time of the customer's request will be allowed at locations designated by the customer provided the Company, in its sole discretion, can reasonably supply the requested electric service and facilitate the safe operation and maintenance of the requested facilities. The Company may require the customer to make its request on appropriate customer letterhead, including;

- a. A revised Schedule "SL2",
- b. An approved form resolution, as applicable,
- c. A signature by a duly authorized representative of the customer.

Upon completion of field work, the Schedule "SL2" will be appended to the customer's Form "SL2" Contract, Application for Service and applicable billing changes commenced.

4. Change of Existing Company Facilities

The change or conversion of existing Facilities, including the conversion of HID luminaires to LED luminaires, for any purpose as requested by the customer will be performed by the Company in compliance with the terms and conditions of "Permanent Discontinuance" for the Facilities to be removed and "Authorization of Additional Facilities" for the new Facilities installed.

Upon a request by a customer, the Company will perform a conversion project to systematically replace designated in-service HID luminaires with customer specified LED luminaires, dependent upon the customer's compliance with the terms and conditions of this Tariff, on a first come, first served basis as determined by the Company. The Company's luminaire conversion obligation in any annual period shall be limited to no more than 20% of the Company's currently installed luminaires. The customer must commit to a luminaire conversion quantity of no less than 15% of their currently installed Company-owned luminaires, or a minimum quantity of 100 of their in-service Company-owned luminaires, whichever is greater, per bill account during an annual period.
- b. The customer must agree in writing to compensate the Company as defined in the Permanent Discontinuance provision by making a one-time payment.
