 P.S.C. NO. 214 ELECTRICITY - S.C. NO. 3
 FORM "SL3" - APPLICATION FOR SERVICE**

BY AND BETWEEN NIAGARA MOHAWK POWER CORPORATION AND

_____ (hereinafter called "Applicant")

 (Applicant Name) (Mailing Address)

 (Lighting District Reference) (LD Reference No.)
 Date: _____, _____

The _____ of _____ located in _____ County, New York, (hereinafter called "Applicant"), pursuant to the attached authorization dated _____, hereby applies to NIAGARA MOHAWK POWER CORPORATION (hereinafter called "Company"), to supply electrical energy to Applicant's electric lighting system along the streets, roads, highways and/or other public places in _____.

Upon acceptance by Company, this application shall constitute an agreement and contract for supplying electrical energy service in accordance with the terms and conditions set forth in Service Classification No. 3 of the Company's Schedule of P.S.C. No. 214 Electricity as now on file with the Public Service Commission of the State of New York, or in accordance with the same as from time to time changed or amended and made effective in accordance with the rules of the Commission. This agreement and contract shall be effective for an initial period of one year and from year to year thereafter until canceled by either party as provided for in the Service Classification.

Applicant shall pay for the energy, based on the total wattage, designated annual equivalent hour operating schedule and other charges as set forth in Schedule "SL3" dated _____, _____ attached hereto and made a part hereof for the lamps/light sources to be installed at the effective date hereof, and, whenever the lamps/light sources installed are subsequently increased/decreased in wattage, increased/decreased in quantity or quantity changed in operating schedule, Applicant shall pay for the total energy and other charges in accordance with the listing of lamp/light sources and other charges set forth upon a revised Schedule "SL3", which shall at its effective date supersede Schedule "SL3" theretofore in effect.

Applicant and its contractors shall qualified electrical workers to operate and perform service on applicant lighting and secure compensation insurance and pay or provide the same in the manner and to the extent provided for by applicable provisions of the Workmen's Compensation Law for the benefit of its employees, having employments within the provisions of the law and engaged in the performance of the agreement, on account of injuries arising out of or in the course of their employments.
