Revision: 0
Superseding Revision:

11. OBSOLETE PRIVATE LINE SERVICE OFFERINGS

11.1 DATA SERVICES (Cont'd)

B. Terms and Conditions

In addition to the terms and conditions specified in Section 2 of this Tariff, the terms and conditions specified following apply to Data Services.

C. Application For Service

Application for Service is the Company order process that includes technical, billing and other descriptive information provided by the customer which allows the Company to provide requested communications services for the customer and customer's authorized users. Upon acceptance by the Company, the Application for Service becomes a binding contract between the customer and the Company for the provision and acceptance of services.

An Application for Service may be changed by customer upon written notice to the Company, subject to acceptance and confirmation by the Company, provided that a charge shall apply to any change when the request is received by the company after notification by the Company of the acceptance and confirmation. Such charge shall be the sum of the charges and costs for access facilities and other services and features and the lesser of (i) the monthly recurring rate for each service component that has been canceled as a result of the change times the appropriate minimum service period, plus the applicable installation or nonrecurring charges, and (ii) the costs incurred by the Company in accommodating each change, less net salvage.

Costs incurred by the Company will include the direct and indirect cost of facilities specifically provided or used; the costs of installation, including design preparation, engineering, supply expense, labor and supervision, general and administrative, and any other costs resulting from the preparation, installation and removal effort.
