2. GENERAL REGULATIONS

2.1 DEFINITION OF TERMS (Cont'd)

Primary Interexchange Carrier

The long distance service provider to which a Subscriber is presubscribed for 1+ long distance service. The chosen carrier's network is accessed by dialing 1+ the area code and telephone number.

Private Line Services

Private Line Service is an interLATA high-speed digital communications service using a physical fiber optic connection between two intrastate interLATA locations. Private Line Services are dedicated, non-switchable connections that can provide a constant and committed availability of capacity for a single customer on a transmission path only between fixed, customer-specified locations. Private Line transmission speed range from 64 kbps to 512 kbps, DS1, DS3, OC3, OC12, and OC48 speeds. OC3, OC12, and OC48 speeds are offered on an individual case basis.

Private Line circuits are priced at a fixed recurring charge based on line speed and the V&H miles between two Company POPs. The POPs are determined by locating the nearest available Company POP to the customer or end-user locations as determined by the NPA/NXX of the locations.

Qualified Residential

Business customer's employees, listed in the product section herein as qualified residential, may subscribe to the business customer's service for satellite locations (e.g., from home). The satellite locations will receive the customer's applicable underlying business rates as defined in this Tariff. The usage of the business customer's employees' services will be invoiced to the business customer and the business customer will be financially responsible for payment of such employee's usage.

Rate Center

The term "Rate Center" denotes a geographically specified point used to determine mileage dependent rates.
