2. GENERAL REGULATIONS

2.2 ESTABLISHING AND FURNISHING SERVICE

2.2.1 APPLICATION FOR SERVICE (Cont'd)

- G. An application for service cancelled by the Subscriber or the Company prior to the establishment of the service applied for is subject to the Cancellation For Cause or Disconnection of Service (Customer Cancellation of Service) provisions as described elsewhere in this Tariff.
- H. Additional terms and conditions associated with application for service, if applicable, are specified elsewhere in this Tariff for the particular services affected.
- I. Customers may order Services under this Tariff by contacting an authorized Company representative and executing the Company's Application for Service and, at the Company's sole discretion, a Credit Application. The name(s) of the customer(s) desiring to subscribe to service, the service(s) to be provided, the targeted Service Date, and the location(s) of such services must be stipulated in the Application for Service.
- J. When a change in service arrangement involves the use of facilities or services furnished by the Company, installation charges do not apply to the facilities or services continued in use. The Minimum Service Period for the facilities or services continued in use is determined by the date of the initial acceptance thereof

2.2.2 OBLIGATION TO FURNISH SERVICE

- A. The facilities of the Company will be available as soon as practicable upon receipt of an order for service. Interconnection of the Company's facilities with the facilities of other duly authorized and regulated communications common carriers, and with International Record Carriers ("IRCs"), will be permitted.
- B. The obligation of the Company to provide service is dependent upon its ability to procure, construct, and maintain facilities which are required to meet the Subscriber's order for service. The Company will make all reasonable efforts to secure the necessary facilities and will amend its Tariff accordingly, providing such new service will not adversely affect the Company's present services.
