## **5. BUSINESS COMPLEX SERVICE OFFERINGS**

### **5.4 CALLING PLANS (Cont'd)**

#### **2. Conferencing Service**

##### **a. General Description**

Conferencing Service enables customers to conduct telephone conferences with multiple parties in multiple locations. All calls are timed and billed in one minute increments. A variety of options are available. All rates and charges are the responsibility of the entity which scheduled the conference.

##### **b. Direct Dial Meet Me Service**

This arrangement permits all conference participants to dial into the Carrier's bridge location at a designated time. A conference operator will connect each caller with the other conferencees. Each caller is responsible for his/her long distance or local charges for access to the conference center.

##### **c. Toll-Free Meet Me Service**

This conferencing arrangement allows all conference participants to dial a toll-free number into the Carrier's bridge location. The conference operator will then connect the caller with the other conferences.

##### **d. Operator Dial-Out Service**

Under this arrangement, the customer provides the name and telephone number for all conference participants and designates a time for the conference to take place. At the designated time, a conference operator will call each conferencees and establish the conference. The customer who scheduled the call is responsible for all conference fees.
