SERVICE CLASSIFICATION NO. 2 (Continued)

TERMS OF PAYMENT:

Bills are due and payable when rendered. Full payment must be received on or before the date shown on the bill to avoid a late payment charge of one and one-half percent (1 1/2%) pursuant to Rule 26.4.

TERM:

One month and continuously from month to month thereafter until permanently terminated on three days' notice to Company, or one year and thereafter until terminated as provided in the written application for service.

SPECIAL PROVISIONS:

- A. Where total load and operating schedule is pre-determined as for signs and billboards, the kWh use may be computed and not measured.
- B. RESERVED FOR FUTURE USE
- C. The meter readings of one single phase and one three phase three wire supply for service to a single customer at a single location may be combined.
- D. Whenever taking of service is measured at secondary voltage metered energy will be billed without adjustment. Whenever taking of service is measured at primary voltage, metered energy will be decreased by three percent when metered energy is provided by the Company to the customer and will be increased by three percent when metered energy is provided as excess generation to the Company by the customer. Whenever the Company does not have to supply and maintain a transformer or transformers for such service there shall be a discount of ninety cents per kW per month for each kW of billed demand, applicable to the demand charge stated under RATE APPLICABLE TO METERED DEMAND SERVICE.
- E. RESERVED FOR FUTURE USE
- F. Customers who meet certain eligibility requirements have the option of paying for service under the Company's voluntary Monthly Budget Payment Plan.
 - 1. Obligation to offer - At least once in each 12-month period, the Company will provide a written notice offering its levelized payment plan, which is designed to reduce fluctuations in payments caused by seasonal patterns of consumption, to all eligible customers.
