GENERAL INFORMATION

37. Community Distributed Generation (Cont'd)

10. Discontinuance of Participation in CDG Project

If a CDG Satellite discontinues participation in a CDG project:

- a. The Company shall rely on the CDG Host's monthly allocation form to verify the CDG Satellite Account's participation in the CDG Host's project. When the Company processes the CDG allocation form, that no longer includes the CDG Satellite Account, the Company shall transfer any banked credits of the CDG Satellite Account to the CDG Host Account.
- b. Credits transferred to the CDG Host Account shall be transferred with no adjustments to the Market Transition Charge ("MTC") or Community Credit ("CC"), if applicable.
- c. Once remaining credits have been transferred to the CDG Host of a project, the Company shall not be responsible for any additional refunds or credits owed to the CDG Satellite Account for that CDG project.
- d. A CDG Satellite Account that has been removed from a CDG Host project, but continues to maintain an active utility account, may not subscribe to a new CDG Host or CDG Net Crediting project until the billing period after which all banked credits are returned to the original CDG Host's Account.

11. Liability

Notwithstanding any other provision of this tariff, in case the supply of service shall be interrupted or irregular or defective or fail from causes beyond the Company's control (including without limiting the generality of the foregoing executive or administrative rules or orders issued from time to time by State or Federal officers, commissions, boards or bodies having jurisdiction), or because of the ordinary negligence of the Company, its employees, servants or agents, the Company shall not be liable therefore.
