### Section 3 – DESCRIPTION OF SERVICES

#### 3.1 Start of Billing

For billing purposes, the state of service is the day following acceptance by the Customer of the Company's service or equipment, or another date mutually agreed upon by the Customer and the Company. The end of service date is the last day of the minimum notification of cancellation or any portion of the last day, after receipt by the Company of notification of cancellation as described in Section 2 of this Tariff.

#### 3.2 Calculation of Distance

3.2.1 Where applicable, usage charges for all mileage sensitive products are based on the airline distance between Rate Centers associated with the originating and terminating points of the Call.

3.2.2 Where applicable, the airline mileage between Rate Centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the Rate Centers involved. The Company uses the Rate Centers that are produced by Bell Communications Research in their NPA-NXX V&H Coordinates Tape and Bell's NECA Tariff No. 4.

#### 3.3 Service Offerings

The Company offers non-voice telecommunications services offering dark fiber optic leased lines to Customers throughout New York. Service is offered on a full-time basis, twenty four hours a day, seven days a week. None of the service offerings are time-of-day sensitive. Service shall not be offered to residences or residential Customers.

The following services are available from the Company where technically and economically feasible:

##### 3.3.1 Service Availability

- a. The Company offers services to all business and commercial entities who desire to purchase service from the Company consistent with the provisions of this tariff. Customers interested in the Company's service shall file a service application with the Company that fully identifies the services requested.
- b. Service is offered subject to the Company's ability to technically provide the service requested and subject to the availability of the necessary facilities and/or equipment.
