## GENERAL INFORMATION

### 16. ADDITIONAL DELIVERY CHARGES AND ADJUSTMENTS (Continued)

#### 16.6 DYNAMIC LOAD MANAGEMENT ("DLM") SURCHARGE (Continued)

Any difference between actual DLM program costs required to be collected from each customer group and the actual amount collected will be reconciled, and the difference will be charged or credited to customers in that customer group, plus interest calculated based on the Commission's customer deposit rate, over a subsequent 12-month period. The CSRP, Term-DLM program, and Auto-DLM program will be reconciled separately from the DLRP and the DLC Program.

The unit amounts to be collected will be shown on the Statement of DLM Surcharge filed with the Public Service Commission apart from this Rate Schedule. Each Statement will be in effect for a 12-month period commencing May 1, except a Statement will be in effect for a five month period commencing December 1, 2020. Unless otherwise directed by the Commission, the Company will file each Statement no less than three days before its effective date.

For purposes of billing, the DLM Surcharges will be included with the Energy Cost Adjustment.
