5.2 Validation of Credit

The Company reserves the right to validate the creditworthiness of End Users through available verification procedures and to establish a maximum predetermined credit amount. Where a requested billing method cannot be validated, the Company may refuse to provide service. The Company may request that facilities adopt, as part of the institutionally authorized program, terms that enable the Company to collect the charges for all Inmate User or Authorized User calls, including without limitation, the blocking of calls to certain telephone numbers when the amount charged to such telephone number (a) exceeds a predetermined amount or (b) becomes past due.

5.3 Contested Charges

For consideration of any disputed charge, an End User must submit in writing to the Company all call details and basis for any requested adjustment. The Company will promptly investigate and advise the End User as to its findings and disposition.

5.4 Returned Check Charge

A charge of \$20.00, or applicable state returned check charge, whichever is more, may be applied if a check or draft presented for payment of service is not accepted by the institution on which it is written.

The Company does not accept deposits.

5.6 Taxes

Securus' practices in connection with collecting taxes and fees from Consumers for (or in connection with) intrastate ICS complies with Federal Communication Commission Rule 47 CFR § 64.6070. On August 17, 2012 the NYPSC issued its order in Case 09-M-0527 allowing New York State Universal Service Fund assessments to be flowed through to the End User. The New York State Universal Service Fund Surcharge is charged monthly per account to all end user customers in addition to other monthly rates and charges set forth in the Company's New York Tariff No. 1.
