6.2.A Business Services (Cont'd)

6.2.A.9 Business Block of Time Plan I *

The following blocks of time plans are for direct dialed one plus voice use only. Eligible customers must also subscribe to a Windstream business access line. Customers will pay one flat Monthly Rate for the block of time chosen. The block of time will include both intrastate and interstate usage. If usage exceeds the block of time chosen, the Overage Per Minute Rate will apply. Block of Time plans shown below include multiple lines on the same plan, with only one plan per account. Customer must agree to a minimum one-year commitment.
