LOCAL EXCHANGE SERVICES TARIFF

SECTION 5 - SUPPLEMENTAL SERVICES (Cont'd)

5.18 REVENUE SHARING

Chatline Providers and other high usage subscribers may be eligible for revenue sharing payments based on percentages of usage for local terminating access and/or interstate access paid to the Company by purchasers of Company's access services. To be eligible for revenue sharing, the Subscriber must be collocated in a Company Switch Site or own a PRI T1 to Subscriber's premises. These payments will be based solely on monthly usage minimums in minutes as follows:

		Commissions to Subscriber Percent of LTA*
Monthly Usage in Minutes	PRI T1 Charges Payable by Subscriber to PaeTec	Under 5 Year Term
0 - 999,999	\$500/PRI T1/month	32.5%**
1 million - 9,999,999	\$250/PRI T1/month	35%
10 million -+	\$250/PRI T1/month	40%

The terms and method of payment to Subscriber will be determined on an individual case basis.

* Percent of Local Terminating Access ("LTA") means the percentage of local terminating access revenue that PaeTec collects from the Incumbent Local Exchange Company for calls terminating to Subscriber's PaeTec local service.

** 400,000 Monthly usage minimum applies
