SECTION 5 - SUPPLEMENTAL SERVICES (Cont'd)

5.20 INFORMATION PROVIDER SERVICES

5.20.1 976/970/540/550 Service

A. Service Description

The Company is not an information service provider. The Company may, at its discretion, provide use of its telecommunications services for Information Service Providers use. Information Providers are required to provide services in accordance with Federal and New York State laws and regulations and as specified herein.

This service consists of facilities and services provided by the Company for the use of Information Providers. Information providers use the 976/970/540/550 Service to allow for the delivery of live, pre-recorded, interactive or database access programs to callers who are their clients.

This service provides for the transportation of calls between a caller and an Information Provider's designated telephone number. Information Providers are assigned a 7-digit telephone number within the 976/970/540/550 NXX for each program.
