SECTION 5 - SUPPLEMENTAL SERVICES (Cont'd)

5.20 INFORMATION PROVIDER SERVICES (Cont'd)

5.20.2 Automatic Announcement Services (Cont'd)

B. General (Cont'd)

The Telephone Company, upon request, will furnish the name and address of the customer and/or party responsible for Automatic Announcement Service as associated with such service in the Company's files.

The customer agrees to indemnify and save the Company harmless against all claims arising from the material transmitted over facilities furnished hereunder, including claims for libel, slander, fraudulent or misleading advertisements, infringement of copyright or any other claims, and against all claims arising out of any act or omission of the customer in connection with facilities provided by the Company.

The calling party who places a call to an Automatic Announcement Service telephone number is responsible for any charges between the originating location and the Automatic Announcement Service telephone number.

The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, or errors or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the customer, or of the Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate charge to the customer for the periods of service during which such mistake, omission, interruption, delay or error or defect in transmission occurs. However, if, in the case of such interruption, service is restored on or before the day after said interruption is reported to or detected by the Company, no allowance will be made.
