Leaf 42
Revision: 0
Superseding Revision:

3.1 TRIAL SERVICES

The Company may offer new services, not otherwise Tariffed, from time to time on a trial basis subject to Commission approval. Such trials are limited to a maximum of six months at which time the trial offering must be either withdrawn or made available on permanent basis.

3.2 LOCAL INTERCONNECTION SERVICE

3.2.1 Description of Local Interconnection Service

- A. Local Interconnection Service enables two-way interconnection between a Customer's facilities and the public switched telephone network ("PSTN"), and access to related services described herein. The Service provides interconnection for voice calls within the Customer's local calling area or other geographic areas defined by the Company. Local Interconnection Service utilizes soft switch technologies.
- B. Local Interconnection Service does not support "nomadic" VoIP services.

3.2.2 Availability of Local Interconnection Service on an Individual Case Basis

- A. Upon receipt of a bona fide request for Local Interconnection Service from a Customer, the Company will negotiate in good faith with the Customer to enter into an agreement that effectuates the terms and conditions set forth in this Tariff.
- B. Recurring and nonrecurring costs for components of Local Interconnection Service other than those identified in Section 4 will be developed on an Individual Case Basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for service. Charges will be offered to the Customer in writing and on a nondiscriminatory basis.
