SECTION 4 - REGULATIONS (Cont'd)

4.6 Payment Arrangements (Cont'd)

4.6.3 Billing Disputes

A. General

All bills are presumed accurate, and shall be binding on the Customer unless notice of the disputed charge(s) is received by the Company. For the purposes of this section, "notice" is defined as verbal or written notice to the Company, containing sufficient documentation to investigate the dispute, including the account number under which the bill has been rendered, the date of the bill, and the specific items on the bill being disputed. When a Customer disputes a bill, the Company shall not discontinue service for nonpayment as long as the Customer (1) pays the undisputed portion of the bill; (2) pays all future bills by the due date and (3) enters into discussions with the Company to settle the dispute.

B. Late Payment Charge

1. The undisputed portions of the bill must be paid by the payment due date to avoid assessment of a late payment charge on the undisputed amount as provided in this Tariff.
2. In the event that a billing dispute is resolved by the Company in favor of the Customer, any disputed amount withheld pending resolution of the billing dispute shall not be subject to the late payment charge. No late payment shall be charged on any disputed bill paid within fourteen (14) days of resolution of the dispute if the complaint was filed before the bill became past due.
3. In the event that a billing dispute is resolved in favor of the Company, the Customer shall pay the late payment charge.
