SECTION 7 - OTHER SERVICE ARRANGEMENTS, (CONT'D.)

7.2 ADVANTAGE CALLING PLAN

The ADVANTAGE CALLING PLAN offers the customer discount toll rates for intrastate calling. There is no additional monthly recurring charge for this plan, however, subscription to Long Distance Only T-1 service is required.

Type of Call	Minimum Per Minute	Maximum Per Minute
Intrastate InterLATA Toll	\$0.04	\$0.12
Intrastate IntraLATA Toll	\$0.04	\$0.12
Intrastate Toll Free	\$0.04	\$0.12

Customers who subscribe to the Advantage Calling Plan through Long Distance Only T-1 service will also be allowed to subscribe to this plan at locations where Long Distance Only T-1 service is not available. For toll calling from such locations, the customer will receive the following rates by designating Carrier as Primary Interexchange Carrier (PIC).

Type of Call	Minimum Per Minute	Maximum Per Minute
Intrastate InterLATA Toll	\$0.08	\$0.12
Intrastate IntraLATA Toll	\$0.08	\$0.12
Intrastate Toll Free	\$0.08	\$0.12

Customers who subscribe to the Advantage Calling Plan through Long Distance Only T-1 service will also be allowed to subscribe to this plan at locations where Long Distance Only T-1 service is not available. For toll calling from such locations, the customer will receive rates within the above range by designating Carrier as Primary Interexchange Carrier (PIC).

Customers who subscribe to the ADVANTAGE CALLING PLAN will be eligible for subscription to Carrier's calling card service and a reduced rate on directory assistance. These rates will be within the ranges specified in the tariffed sections for each service.
