**SECTION 2 – REGULATIONS, (CONT'D.)**

**2.5 Payment Arrangements, (Cont'd.)**

**2.5.5 Discontinuance of Service, (Cont'd.)**

- E. In the event of fraudulent use of the Company's network, the Company will discontinue service without notice and/or seek legal recourse to recover all costs involved in enforcement of this provision.
- F. Upon the Company's discontinuance of service to the Customer under Section 2.5.5(A) or 2.5.5(B), the Company, in addition to all other remedies that may be available to the Company at law or in equity or under any other provision of this tariff, may declare all future monthly and other charges which would have been payable by the Customer during the remainder of the term for which such services would have otherwise been provided to the Customer to be immediately due and payable (discounted to present value at six percent). For good cause shown, the P.S.C. may exempt a Customer from the penalties provided in this sub-section.
