SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.6 CUSTOMER EQUIPMENT AND CHANNELS

2.6.1 General

An End User may transmit or receive information or signals via the Facilities of the Company. An End User may transmit any form of signal that is compatible with the Company's equipment, but, except as otherwise specifically stated in this Tariff, the Company does not guarantee or warrant any Service for any purpose except as expressly described herein.

2.6.2 Station Equipment

A. Terminal equipment on the Customer or End User premises and the electric power consumed by such equipment shall be provided by and maintained at the expense of the Customer or End User. The Customer or End User is responsible for the provision of wiring or cable to connect its terminal equipment to the Company's point of connection.

B. The Customer is responsible for ensuring that Customer-Provided Equipment connected to the Company equipment and Facilities is compatible with such equipment and Facilities. All such Customer- Provided Equipment shall be registered by the Federal Communications Commission pursuant to Part 68 of Title 47, Code of Federal Regulations; and all End User-provided wiring shall be installed and maintained in compliance with those regulations. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation or maintenance of such equipment and wiring shall be such as not to cause damage to Company-provided equipment and wiring or injury to the Company's employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

C. The Company is not responsible for malfunctions of Customer-owned telephone sets or other Customer-Provided Equipment, or for misdirected calls, disconnects or other Service problems caused by the use of Customer-Provided Equipment.

2.6.3 Interconnection of Facilities

A. Any special interface equipment necessary to achieve compatibility between the Facilities and equipment of the Company used for furnishing communications Service and the channels, facilities, or equipment of others shall be provided at the Customer's expense.
