## SECTION 2 - GENERAL RULES AND REGULATIONS (CONT'D.)

### 2.10 Additional Provisions Applicable to Residential Customers (Cont’d.)

### 2.10.3 Deposits (Cont'd.)

c. Recent Payment History (Cont'd.)

New deposits from a residential customer are reviewed after the first 3 monthly bills have been rendered; if too much has been taken, the excess is returned. The entire deposit is returned to a residential customer after 1 year, unless the customer is delinquent in payment, in which case the Company may continue to retain the deposit until the delinquency is satisfied. If the service is discontinued, the deposit is applied against the final bill, and any balance is returned to the customer.

### 2.10.4 Installment Billing For Nonrecurring Charges

A residential customer may elect to pay service connection and other nonrecurring charges associated with a service order in monthly installments for up to a 12 month period. When installment billing is requested, all nonrecurring charges associated with a given service order will be included in the calculation of the monthly installment.

Installment billing is subject to the following restrictions:
a. Installment billing may be used only by residential customers;
b. Charges will be billed in the number of installments of equal dollar amounts as requested by the customer up to a maximum of 12 installments over the course of 12 months;
c. A customer may not pay a portion of the charges and then request installment billing for the remaining charges;
d. More than one installment plan may be in effect for the same customer at the same time;
e. If a customer disconnects service during the installment payment period, all unbilled charges will be included in the final bill rendered;
