## END-USER TELECOMMUNICATIONS SERVICES TARIFF

### SECTION 1- DEFINITIONS

Certain terms used generally throughout this Intrastate Tariff are defined below.

**Answer Supervision** – The transmission of the switch trunk equipment supervisory signal (offhook or on-hook) to the customer's point of termination as an indication that the called party has answered or disconnected.

**Authorized User** - A person, firm, corporation or other entity who is authorized by the Customer to be connected to the service of the Subscriber under the terms and regulations of this Intrastate Tariff.

**Carrier or Company** – Talkie Communications, Inc., issuer of this Intrastate Tariff, unless otherwise clearly indicated by the context.

**Commission** – the New York Public Service Commission.

**Customer** - Any person, firm, corporation or other entity that orders Service and is responsible for the payment of charges and for compliance with the Company's Intrastate Tariff regulations.

**Customer-Designated Premises** - The premises specified by the Customer for termination of services.

**End Office Switch** – A switching system where exchange service Customer station loops are terminated for the purposes of interconnection to each other and to trunks.
