

PSC No: 19 - Electricity  
Rochester Gas and Electric Corporation  
Initial Effective Date: September 15, 2018

Leaf No. 178.3  
Revision: 0  
Superseding Revision:

### SERVICE CLASSIFICATION NO. 4

#### RESIDENTIAL SERVICE – TIME-OF-USE RATE

#### 11. Plug-In Electric Vehicles (Cont'd)

##### B. Rates (Per Meter, Per Month):

##### i. Delivery

	Effective Date
	9/15/2018
Customer Charge	\$21.38
Meter Charge	\$3.98
Energy Charge (All kWh, per kWh)	
“On-Peak” Service	\$0.07160
“Off-Peak” Service	\$0.02628

- ii. The customer shall elect a Supply Service option as provided in Service Classification No. 4.
- iii. All other surcharges that are applicable to a customer taking service pursuant to Service Classification No. 4 are applicable to a customer taking service pursuant to this Special Provision.

##### C. Price Guarantee

- i. Customers that opt to take service under this Special Provision shall be eligible to receive a one-time price guarantee for delivery service for a period of one year commencing with the first full billing cycle after the customer registers the electric vehicle with the Company.
- ii. Pursuant to this provision, the customer shall receive a credit following the one-year period for the difference, if any, between what the customer paid in accordance with this Special Provision and what the Customer would have paid in accordance with the residential service classification rates the customer was previously served under over that same one-year period. The comparison shall be made on a delivery bill basis only.
- iii. The price guarantee, if applicable, shall be applied after the one-year period. If the customer chooses to terminate this special provision prior to the one-year anniversary, the customer shall not be eligible for the price guarantee.
- iv. A customer that installs a separate meter for the sole purpose of charging their PEV as set forth in D. Metering below shall not be eligible for the price guarantee

##### D. Metering

- i. If a customer chooses to install separate meter for the sole purpose of charging their PEV, the customer shall be responsible for all installation costs, including: wiring equipment, meter board, self-contained meter enclosure, fuse box, service switch, stand-pipe, and appurtenances. The Company shall furnish a meter necessary to provide the Company's basic billing determinants consistent with the customer's Service Classification and connect its distribution lines with the customer's service entrance in accordance with PSC No. 19, Rule 3.E. Service Connections/Meters. The meter shall be installed and maintained in an approved location, readily accessible at all reasonable times to employees of the Company.
- ii. If a customer elects to install a separate meter for their PEV charges, such customer shall pay a monthly fee of \$2.90 for that meter. All other delivery, supply and surcharges are applicable.
