

Finger Lakes Regional Telecommunications Development Corporation
d/b/a Axxess Ontario, Fiber Network Development
PSC No. 1 – Telephone
Effective Date: 03/02/2018

Section: 4 Leaf: 5
Revision: 0
Superseding Revision:

SECTION 4 – SPECIAL ARRANGEMENTS (cont'd)

4.1 SPECIAL CONSTRUCTION (cont'd)

4.1.3 Termination Liability (cont'd)

- c. The termination liability method for calculating the unpaid balance of a term obligation is obtained by multiplying the sum of the amounts determined as set forth in Section 4.1.3.b. by a factor related to the unexpired period of liability and the discount rate for return and contingencies. The amount determined in Section 4.1.3.b. shall be adjusted to reflect the redetermined estimated net salvage, including any reuse of the facilities provided. This amount shall be adjusted to reflect applicable taxes.

4.2 NON-ROUTINE INSTALLATION AND/OR MAINTENANCE

At the customer's request, installation and/or maintenance may be performed outside the Company's regular business hours, or (in the Company's sole discretion and subject to any conditions it may impose) in hazardous locations. In such cases, charges based on the cost of labor, material, and other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

4.3 INDIVIDUAL CASE BASIS (ICB) ARRANGEMENTS

Rates for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a customer or prospective customer for service which vary from tariffed arrangements. ICB rates will be offered to customers in writing and will be made available to similarly situated customers. A summary of each ICB contract pricing arrangement offered pursuant to this paragraph will be filed as an addendum to this Tariff within 30 days after the contract is signed by both the Company and the customer.
