2.4 PAYMENT FOR SERVICE RENDERED (cont'd)

2.4.2 Deposits

Subject to special provisions as may be set forth below and in Sections 2.10 and 2.11 of this Tariff, any applicant or customer whose financial responsibility is not established to the satisfaction of the Company may be required to deposit a sum up to an amount equal to the fiber lease value for up to two months for the facilities and service. In cases where excessive build out costs will be incurred to connect customers, the customer may be required to prepay construction costs to a sum equal to the total charges incurred by the Company unless any connection charges are paid direct by the customer to the construction entity.

The fact that a deposit has been made shall in no way relieve the applicant or customer from complying with the Tariff regulations for the prompt payment of bills on presentation. Each applicant from whom a deposit is collected will be given a certificate of deposit and circular containing the terms and conditions applicable to deposits, in accordance with the Rules and Regulations of the Commission pertaining to customer deposits.

a. Interest on Deposits

Simple interest at the rate specified by the Commission shall be credited or paid to the customer while the Company holds the deposit.

b. Inadequate Deposit

If the amount of a deposit is proven to be less than required to meet the requirements specified above, the customer shall be required to pay an additional deposit upon request.
